In re Patent No. 6,231,119 :  
Issue Date: May 15, 2001 :  
Application No. 09/662,956 :  
Filed: September 15, 2000 :  
Attorney Docket No. 70124-010400 :

**DECISION ON PETITION  
UNDER 37 CFR 1.378(c)**

This is a decision on the petition under 37 CFR 1.378(c), filed November 1, 2005, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

This patent expired on midnight May 15, 2005 for failure to pay the 4th year maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition was timely filed under the provisions of 37 CFR 1.378(c).

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the delay in paying the maintenance fee under 37 CFR 1.378(c) was intentional, petitioner must notify the Office.

There is no indication that the person signing the petition was ever given a power of attorney or authorization of agent to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While this decision is being mailed to the person

signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

Petitioner will not receive future correspondence related to maintenance fees for the above-identified patent unless a "fee address" (see PTO/SB/47) is submitted for the above-identified patent.

Telephone inquiries concerning this decision should be directed to Amelia Au at (571) 272-7414.

The patent file is being forwarded to Files Repository.

A handwritten signature in black ink, appearing to read 'Amelia Au', is positioned above the printed name.
